

BRADMAN CRESTS

**BUY A CREST AND INVEST
IN THE GAME YOU LOVE!**

Invest in a Crest and automatically become a member of the Bradman Foundation. You will be a part of the stunning area of the Bradman Oval precinct.

Member benefits include free entry to The International Cricket Hall of Fame, advanced notice and discount entry to all events at the Foundation and a regular e-newsletter to keep you up-to-date on all cricketing and member news.

A perfect Fathers' Day, birthday or Christmas gift and a great way to reward the cricket-lover in your life. A Bradman Crest is a gift that keeps on giving. Why not immortalise that long-standing contributor in your club; that outstanding coach or the umpire who shows up to every match?

A personalised Bradman Crest including an allocated holder number, placed on the

picket fence in the Bradman Oval precinct is the ultimate accolade for any cricket tragic. What person would not appreciate their name being associated with this historic cricket ground, the same place where a young Don Bradman honed his skills?

Crest holders will receive a certificate and of course can bring their friends and relatives to the Oval at any time to see their name on the fence. The personalised Crest number can be included on all Bradman members' merchandise.

In addition to buying a Crest, you will be helping The Bradman Foundation continue to fulfil Sir Donald Bradman's vision of educating youth through the values and character building traits of cricket.
